The Institute of Chartered Accountants of the Caribbean

The Institute of Chartered Accountants of the Caribbean was formally established and incorporated as a Company in October 1988, bringing together Accountants of the English speaking Caribbean.

Since its establishment, the Institute has provided a forum for the advancement of the Accountancy profession in the Caribbean. ICAC is the internationally recognized body for the accountancy profession in the Caribbean, with an expanding influence in the region. It regulates the profession and promotes the highest standards of professional and ethical conduct. Through thought leadership and the provision of research, Continuing Professional development and other services, it adds value to its members and the wider community.
